

**Join ABS L DACH** – the independent not-for-profit **Business Services Association** representing the sector across **Germany, Austria and Switzerland**

We bring together leaders of Global Business Services (GBS), Business Process Outsourcing (BPO), Information Technology Outsourcing (ITO) as well as all other Business Services Organizations (BSO) with investors and stakeholders

We are an active part of the ABS L International network, founded in 2009, which comprises organizations from across Europe and globally, with 600+ members setting standards and direction for growth in the industry

**Accelerating growth**  
**Building sector expertise**  
**Sharing global values**

Our **UNIQUE 360° FOCUS** supports your business services organization to achieve its objectives, as well as enabling **YOU** to achieve your ambitious career development goals

- **Strategic direction** through executive sessions with C-level & board-level individuals
- **Career perspectives** and personal coaching providing transparency and enabling personal development
- **Unique experiences** – exclusive invitations and access to unique social and cultural experiences
- **Market research & insights** providing the latest trends and topical intelligence
- **Exclusive meetings, conferences and events** organized by both ABS L DACH and the ABS L International network
- **Health & wellbeing** – a unique access to a personal health and well-being coaching
- **Business Services Network** – exclusive and personal connections within a unique Business Services Leaders network
- **Peer-to-peer exchange** – a trusted independent, not-for-profit platform for peer-to-peer exchange

## Join the Business Services Sector's leaders!

- A safe and trusted environment for a **peer-to-peer exchange by the GBS leaders' community** across the DACH region
- Regular meetings, webinars, working groups and special events **to discuss the key topics in our sector, such as:**
  - ✓ AI, new technologies and digital trends
  - ✓ Latest economic and political forecasts
  - ✓ Growth engines in the GBS sectors
  - ✓ ESG as a business growth driver
  - ✓ New business services models
  - ✓ Global locations & talent pool updates

We bring together **more than 50 companies** representing the Business Services Sector from Germany, Austria and Switzerland
